

Product Specific Terms and Conditions: ADSL Evolve

- All new applicants will need to be registered for RICA.
The following documentation is needed;
 - Individual - Certified copy of ID, Proof of physical address.
 - Business - Certified copy of Representative ID, Proof of Representative residential address, Copy of business letterhead including registration details and address
- Hardware will be included on a rental only and will remain the property of @lantic
- The hardware will carry a 12 month manufacturer's warranty
- @lantic will not be held responsible for any damages caused to hardware due to the negligence of a subscriber
- The subscriber will be responsible for the replacement value of a damaged device
- A Subscriber will be responsible for insurance of the hardware
- The product will be available on a 12 month contract
- A Subscriber will be billed pro-rata in the month of activation
- A Subscriber will be liable for a once-off activation fee of R99.00 (incl. VAT)
- A Subscriber will be billed R0.10c per MB used
- The default data cap is set at 5GB and can be adjusted by a subscriber based on their preference at no additional cost
- A subscriber can cancel their service by giving 20 business days notice
- A subscribers service will be suspended if no payment has been received as indicated in the general terms and conditions
- Subscribers will be billed for the volume of data sent and received.
- A subscriber may pay for their service via Debit order, Electronic Funds Transfer or Credit Card
- This product is for consumer use only
- Evolve is only available to new ADSL line subscribers
- Evolve is limited to a 384Kbps line only
- Evolve package includes both the 384Kbps ADSL line and data
- Data speeds may differ from time-to-time as Telkom makes changes to their network infrastructure
- Data transfer speeds are not guaranteed and are dependent on the package selected and Telkom's network and contention ratio
- Evolve is a bundled service and subscribers need to apply for a new 384Kbps line through @lantic
- Data services will only become available once the ADSL line is active
- Data limitations will not be affected by the ADSL line and will form part of the data package criteria
- No Static IP included
- These Product Specific Terms and Conditions need to be read and acknowledged in conjunction with the @lantic General Terms and Conditions

I hereby acknowledge that I have read the Product Specific Terms and Conditions and that I understand all the meanings thereof
